## Annual Awards Banquet & Membership Meeting

We have finally found a time and place for our annual meeting. In an effort to accommodate our members on the eastern side of the state, we had hoped to have the meeting in the Grand Forks area. I have since decided that I want to be a hotel owner in the Grand city because we could not find a block of rooms throughout the months of January, February, or March. As a result, we are planning to go to Fargo on March 10th.

The Board of Directors meeting will begin at 3:00 pm followed by the General membership meeting at 4:00 pm. The potluck will follow and we'll enjoy the culinary efforts

of our fellow club members. Don't forget to bring your favorite potluck dish and the beverages of your choice. Harv Hedvig has again agreed to grace us with his melodious voice as he will preside over the white elephant auction. Remember to bring an item or two and your checkbook.

**Things to think about . . .**

There are 129 people from ND who are members of the National Appaloosa Horse Club but only 25 of them are members of our club. What can we do to make our membership valuable to all?

In my non-scientific survey results, showing has not come up on the top of people's lists of priorities. In the old days of the club, year end awards were only given to the youth. Should we go back to that? If not, it has been suggested that a nomination fee per horse be assessed to the people who desire year-end awards other than receiving their certificates.

**Best Wishes**

Gene Carr will not be able to attend the banquet this year due to back surgery. He will again be running for a spot on the board of directors for the National Appaloosa Horse Club from Territory I.

Thank you, Gene, for all your hard work and we wish you a speedy recovery and successful election.

**Potluck**

Please email your potluck entrée to Crystal Gandrud and she'll will try to coordinate that. She's bringing a dessert and I'm bringing fresh bread and bars. Her email is [cdgandrud@yahoo.com](mailto:cdgandrud@yahoo.com)
